## Ibiza Floating bed

- From the encounter between technical competence, design and functionality Pomodone presents a completely different line from those presented so far: The floating bed!
- The Ibiza floating bed is born from the need of creating a luxury mattress, which can embrace all the comforts comfortably lying either in the water and by the pool or on the beach.
- Available in many colours, this floating mattress combines comfort with relaxation letting you lull on the water surface or by the pool, ensuring stability and space for two people.
