OVERVIEW

- 1/2 1/2 among all the products of this line, it is the most versatile as it can take two positions, exactly like the sea bed that can lower the back.
- 2 Equipped with a headrest cushion, tied to the article with two buttons, which allows to make comfortable even the deck position.
- 3 Composed of 3 parts: seat, backrest and headrest. It has a plywood base to give more stability to the foam rubber and 6 feet that lift it slightly from the ground allowing ventilation, avoiding direct contact with spa or poolside floors.

It is padded with soft high-density foam.

MATERIAL

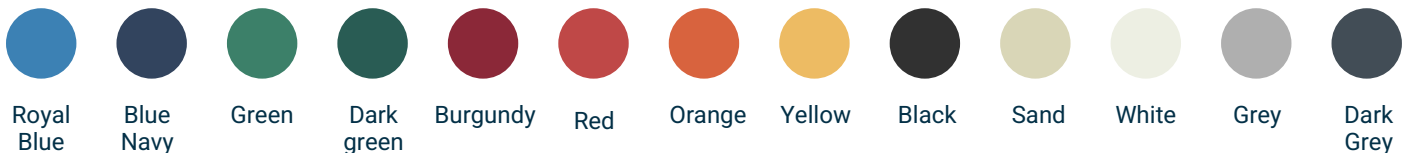

Fabric: It is possible to make it in both nautical eco-leather and 100% past-dyed acrylic fabric. **Nautical eco-leather:** characterized by anti-mold, antibacterial, resistance to UV rays, resistance to tearing both at low and high temperatures, resistance to weathering, without heavy metals formaldehyde, mercury, common solvents, and fire resistance, 100% waterproof. Its strong point is easy maintenance.

Fabric made with an innovative 100% high-tenacity acrylic fiber, dyed in paste, which has excellent color fastness to sunlight and resistance to UV rays, guaranteed for 3 years.

It is available in a wide range of solid colors with hydro-repellent treatment and vinyl coating, guaranteeing 100% waterproofing.
